

Partnering With People: Sharing the Blessings of the *Mustard Seed* Ministry

As we take time at Thanksgiving to be grateful for our many blessings, how can we as Christians share our bounty with others? Star of the North is partnering with the Mustard Seed Community in Edmonton's Inner City to invite you to share a simple meal and learn more about their ministry.

The Mustard Seed is a Christian humanitarian organization that seeks to address poverty in greater Edmonton through the building of a healthy community. This also includes addressing the needs of those whose lives have been impacted by crime and incarceration. By incorporating a restorative justice framework to these issues we seek to bring healing and restoration to those who have offended against our communities.
